The Board of Management would like to thank the PA for volunteering their time to help enhance our school community for the betterment of the children through their fundraising efforts. Their commitment and motivation are greatly appreciated. Thank you.

The following message is from the Parents Association:

The Parents Association committee members met on Weds 26th March. New committee members were welcomed and PA class representatives were nominated. The class reps will set up New class WhatsApp groups so information can be shared to all parents. The PA are looking for a class rep for 5th class. If any parent in 5th class would like to join the PA committee, please contact Doireann 087 6350672 or Marian on 087 7678980.

The PA would like to thank all who donated bottles for the Deposit Return Scheme. The total raised was €156.75. Due to the great success, they plan to continue the scheme.
